

Christopher Bernheisel, MD is the Interim Chair of the Department of Community and Family Medicine at the University of Cincinnati. Before serving as the interim chair, he was the Program Director of the family medicine residency, serving this role for ten years. He is passionate about medical education, quality improvement, and social justice. His clinical practice is split at a local FQHC and a free clinic, serving a predominately immigrant population. He has spent the past seven years studying process improvement and management lessons from industry and applying them to healthcare and medical education.
